Timely Reply Within Two Months After Final Rejection

The applicants herewith respond within two months from the date of mailing of the Office action dated April 16, 2008. A facsimile transmission was attempted, but upon review, applicant's representative discovered that page 10 did not transmit with the remaining pages. Consequently, only 15 pages were received by facsimile transmission at the USPTO. Consequently, the original facsimile transmission should be ignored, in view of the incomplete nature, and the mailed version considered the official version. Further in view of this unfortunate incomplete facsimile, a courtesy copy will be faxed simultaneous with the mailing hereof directly to the Examiner's direct facsimile number 271-270-2696 to circumvent any confusion or wasted effort that otherwise might result from the otherwise appearing duplicate submissions.
